TESTIMONIAL – CONSOLE COMMUNICATIONS SDN BHD

The 26th East Asian Insurance Congress (EAIC) was held in Kuala Lumpur from 29th October to 2nd November 2012. This is a biennial Conference hosted by rotation by all the member cities of the EAIC.

This is third time that Kuala Lumpur has hosted this event and it has been the most successful and efficiently organized Conference hosted by Kuala Lumpur. This Conference also marked the 50th Anniversary of the EAIC which was incepted in 1962. In addition to organizing the Conference, the host city was also required to organize celebratory events to commemorate the Golden Anniversary of the EAIC.

In this regard, it gives me great pleasure to commend the pillar of the successful organization of this Conference; Console Communications Sdn Bhd who was appointed as the event organizer of this Conference. The head of the team, Ms Yap Shook Fung has displayed a high calibre team leadership and her staff have been very friendly, accommodating and professional in dealing with crowd. The fact that her staff were well organised and prepped before the conference made a huge difference in the smooth running of events during the Conference.

Due to the international nature of this Conference, we were able draw a total of 1,115 participants from 36 countries all over the world. The advertisement and promotional efforts by the event organizer were highly regarded as a contributory factor to this good turnout.
