**Ms. Yap Shook Fung,**

Console Communications Sdn Bhd  
Suite 12.9, Level 12, Wisma UOA II  
21, Jalan Pinang 50450 Kuala Lumpur

11<sup>th</sup> March 2013.

Dear Ms.Yap,

Re: **1<sup>st</sup> World Congress on Healthy Ageing 2012**

The Malaysian Healthy Ageing Society (MHAS) is a non-governmental organization dedicated to imparting knowledge and education to members of the healthcare profession and the general public on healthy ageing issues.

MHAS had taken on the task of organizing the **1<sup>st</sup> World Congress on Healthy Ageing** from the **19<sup>th</sup> to the 22<sup>nd</sup> of March, 2012** with the theme: **“Evolution: Holistic Ageing in an Age of Change”**. The Congress was held at the Kuala Lumpur Convention Center, Kuala Lumpur, Malaysia.

We are writing this in appreciation and recommendation of **Console Communications Sdn Bhd** for having agreed to take the humongous task of being the Professional Conference Organisers for the above Congress in such a short notice.

Your engaging style and creative interaction really set the tone for a successful Congress.

The organizational skills that your team exhibited helped us internalize how communication and teamwork support and help propel the Congress to International standards.

We found you were a true partner in our success, a consummate professional in how your team attuned to our needs during the Congress.

We wish you continued success in all your future undertakings and hope to work together in our future Conferences.

Yours Sincerely,

Prof. Nathan Vytialingam,

Organising Chairman.
